Bundamba State Secondary College operates a *Student Resource Scheme* (SRS) under Education Queensland guidelines.

The scheme aims to provide all students with the necessary basic textbooks and associated learning materials at considerable savings to parents.

Parents have a choice to participate in the scheme OR privately purchase all the various textbooks, novels and other materials as well as paying for additional items included in the scheme.

The subject costings in the table above indicate the value of resources, materials and consumables received by students during the year.
