This school operates a *Student Resource Scheme* (SRS) under Education Queensland guidelines.

The scheme aims to provide all students with the necessary basic textbooks and associated learning materials at considerable savings to parents.

Parents have a choice to participate in the scheme OR privately purchasing all the various textbooks, novels and other materials as well as paying for additional items included in the scheme.

If you wish to calculate the cost, should you decide NOT to participate in the scheme, please use the subject costings from the table below for what you would need to purchase for your student.
